

LEADS STEP: CHARACTER

The Leadership Vision Worksheet

One paragraph that says who you intend to be as a leader. "Write the vision; make it plain on tablets, so he may run who reads it" (Hab. 2:2, ESV). Answer the four prompts, then write the paragraph.

1 Who I intend to be

Three words I want people to use about me in every room: at work, at home, at church, and alone.

2 Whom I serve

The names of the people entrusted to me.

3 What I will do first

My lowest LEADS step from the Self-Check, and one action I will take on that step this month.

4 Who will hold me to this

One person who has permission to tell me when I am off course.

My leadership vision, in five sentences or fewer

How to use: read the paragraph aloud to your team, and ask them to tell you when your actions and your paragraph disagree.
